

ANDY KELLY ROAD RACE AND SCHOLARSHIP FUND

Summer 2008

Dear Business Owner or Manager,

On Sunday, September 21, 2008 we are holding the 23rd annual Andy Kelly Memorial Road Race to raise money for the Andrew S. Kelly Scholarship Fund. Andy was an avid runner at the Blackstone-Millville Regional High School and Northeastern University who died unexpectedly of viral heart disease at the age of 21. Friends and family members have tried to keep his spirit alive through running and organizing an annual road race in his memory. The proceeds are returned to the community by awarding a scholarship annually to a graduating senior of the B.M.R.H.S. to assist with their college expenses. Most recently, a \$1,000 scholarship was awarded to a graduate of the BMR class of 2008.

In order to perpetuate the scholarship fund, we are seeking support from local businesses to help defray the costs of organizing the road race. With a minimum \$50 donation we will advertise your business on the race tee shirt. We will also gladly distribute coupons, flyers, business cards, etc. to help promote your business.

We realize that many people must solicit your financial assistance, but hope you will join us in supporting the college education of a local student. Any donation that you can give will be greatly appreciated and all donations are tax deductible. To allow time to print the race tee shirts and advertise the race, we must have all donations by August 22, 2008. Donations received after this date will go directly to the scholarship fund.

Sincerely,
The Kelly Family
